## Media Graphics Designer

### About me

trained media graphic designer with a strong drive for creative work. Good understanding of media and media literacy, as well as a strong sense for aesthetics. Introverted but good at Teamwork and generally enjoy socializing. Interested in music, art, sub cultures and media both off and online. Varied work experience in media and can handle multitasking well. Invested in LGBT+ activism, political aspects and social aspects as a trans person. Also very aware of changes in pop culture. Open minded for most things in this world.
