

## **Bad Axe Mold Resistant Coating 10-Year Limited Warranty**

Bad Axe Restoration Products, Inc. warrants the performance of the Bad Axe coating line, against visible growth of mold and mildew for a period of ten years. The warranty is available to all residential owners or commercial contractors where application guidelines have been followed. The products must be applied on properly treated substrate(s) at a given spread rate of 300 sq. feet per gallon for qualification. Substrate must be cleaned and disinfected prior to applying Bad Axe coating.

A qualifying claim will allow for product replacement of non-conforming material or Bad Axe's option of refunding the original cost of the affected coating. The warranty will not cover the labor cost affiliated with the application of the products nor will it involve the labor associated with the correction of the affected areas.

### Qualifications for the Limited Warranty:

The substrate on which the Bad Axe coating is to be applied must be dry, clean, and free from mold and mildew growth. If mold/mildew is present prior to application, it must be removed and substrate cleaned and disinfected. A coating application rate of 300 sq. feet per gallon must be applied as well as conforming with all other application guidelines.

### Exclusions:

The Limited Warranty does not cover, and Bad Axe Restoration Products will not be liable for the damage associated with the following;

1. Natural disasters and acts of nature; floods, hurricanes, tornadoes, hail, fire, earthquakes, windstorms, and lightning.
2. Substrate deterioration which impacts the integrity of the coating.
3. Improper application of the coating whether it be in surface preparation, surface treatment, or within a failure to apply the proper amount of coating material.
4. Product alterations and surface alterations. The coating can not be thinned for the Limited Warranty to apply. The substrate cannot be altered with paint.
5. Coating alterations or damaged caused by vandalism or another third party, or by the owner.
6. Damage resulting in water damage from ruptured pipes or any other source of water exposure.
7. Cracks, breaks, and openings within the substrate where the coatings are applied.

### Warranty Claims:

The following limited warranty applies to the Bad Axe Klar Coat and Bad Axe Wicked White. Bad Axe Restoration Products Inc. provides a 10-year limited warranty on the Bad Axe coating line of products. Bad Axe Restoration Products Inc. warrants these products to perform satisfactorily when used in accordance with label directions. Bad Axe Restoration Products Inc. will replace the product or refund the purchase price in the event the product is proven defective, which shall be the exclusive remedy under the warranty.

### Warranty Disclaimers:

Liability for consequential damages is specifically excluded. No other warranties expressed or implied are given.
