# WHAT DOES asp AUTO SERVICE PRAXIS OFFER?

asp AUTO SERVICE PRAXIS is the technically oriented information medium of the workshop sector. Automotive and workshop technology as well as business practice are the main three pillars of the magazine.

With specialist articles and reports on trends and further developments in the automobile industry, asp AUTO SERVICE PRAXIS ensures that all the latest information is available to decision-makers in the workshop. Here, workshop professionals read about novelties of the sectors workshop equipment, spare parts, accessories and tires. Basic business management knowledge is also offered by reports on repair and trade businesses, practical articles on business management and organization and juridical specialist articles. Up-to-date topics from vehicle trade complete the editorial spectrum.

As partner magazine of TÜV SÜD (German Technical Inspection Agency South), asp AUTO SERVICE PRAXIS is an important source of information for service companies that are cooperating with TÜV SÜD.
