TRUCKER
The magazine for truck drivers

www.trucker.de

WHAT DOES TRUCKER OFFER?

The trade and special interest magazine TRUCKER has been one of the best-known and most popular magazines in the transport and logistics sector in Europe for over 40 years. For more than four decades, TRUCKER has been setting a benchmark with its expert test and technology reports, among other things. As an expert reporting resource in relation to policy and practice, it is regarded as an opinion-former in the sector.

The magazine's motto is: „TRUCKER - Profession, Technology, Passion“ and the aim of the editorial team is to be very close to the reader. Unlike many other editorial offices, TRUCKER works almost exclusively with permanent editors who have many years of practical experience in the industry and in everyday transportation - some even come from the industry and have worked as drivers or forwarding agents, for example. This creates authenticity.
