## THE SPECIAL PART AS A „MAGAZINE-WITHIN-A-MAGAZINE“

The special part of the magazine features a mixture of editorial reporting and **PR content**. With one-page and double-page advertorials, partners of the touristic and technical bus sector have the opportunity to give a more detailed presentation of their products and destinations than would be possible in a classical ad. An editorial introduces the reader to the topic. Independent newsflashes about the bus sector and providers as well as articles complete the contents.
