THE SPECIAL SECTION AS A „MAGAZINE-WITHIN-A-MAGAZINE“

The special section of the magazine features a mixture of editorial reporting and **PR content**.

In single or double-page advertorials, partners in the bus industry from the tourism and technology sectors have the opportunity to present their products and destinations in more detail than would be possible in a classical advertisement.

An editorial from the editorial team leads readers to the topic, independent short reports on the industry and providers as well as articles supplement the content.
