

MEDIA DATA 2025

fokus GEFAHR/GUT
The magazine for hazardous goods practice
www.fokus-gefahr-gut.de

***WHAT DOES fokus GEFAHR/GUT OFFER?***

fokus GEFAHR/GUT combines classic specialist media such as the magazine **GEFAHR/GUT**, numerous additional editions and a website with useful tools and work aids at www.fokus-gefahr-gut.de.

Hazardous goods advisors, those responsible for hazardous goods and those responsible for occupational safety find comprehensive information and tools for their daily tasks. The practice-oriented reporting covers all areas of hazardous goods and substances – from manufacturing to disposal. The printed contents are extended digitally by extensive information and research, for example through hazardous goods regulations in full text (ADR/RID, ADN and IMDG-code), basic knowledge and substance database.

THE BRAND fokus GEFAHR/GUT COMPRISES

- Magazine
- Online portal
- Newsletter
- Events (e.g. specialist conference & lithium batteries seminars)
- Webinars
- Books

monthly

YOUR EXTENSIVE COMPANY PORTRAIT

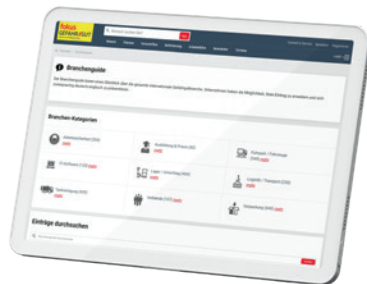

The **Who's Who GEFAHR/GUT** is published for the 25th time and offers an overview of important companies as well as associations and authorities of the industry. Researched by the editors, it includes the contact details of product suppliers and service providers, organized by topic: fleet and vehicles, haulage and logistics, storage and handling, packaging, education and training as well as occupational safety.

Companies have the opportunity to present themselves to international readers in two languages (German/English) with a portrait.

In addition, the company portraits will be presented online in the www.gefahrgut-online.de portal industry guide.

TRADE CONFERENCE & SEMINARS: LITHIUM BATTERIES

This is where the industry meets!

The fokus GEFÄHR/GUT editorial team has been hosting a conference on the transportation, handling, storage and disposal of lithium batteries since 2010. Experts from the scientific research field, industry and the administration sector make presentations detailing the latest developments in standards, the possibilities of legally compliant shipping using various modes of transport, test procedures, testing and criteria, as well as suggesting solutions for safe storage, and for the collection and disposal of defective batteries.

Date 18th trade conference: 28. to 30. January 2025

Date seminars: 27. to 31. January 2025

Location: Göttingen

More information at: www.fokus-gefahrgut.de/libatkonferenz2025

EXHIBITION BOOTH:

- 6 qm exhibition place in the event hotel
- incl. one charge-free participant slot at the trade conference days
- Image of the logo on the event page and in the participant booklet

CONFERENCE & PRACTICAL SEMINAR: LITHIUM BATTERIES IN MARITIME TRANSPORT

This is where the industry meets!

Shipping companies expect huge quantities of lithium batteries to be installed in all stages of transport and in equipment and vehicles in the coming years. However, they do not feel adequately prepared today. Many questions about fire protection and hazard prevention in maritime and RoRo transport remain unanswered.

For this reason, the editorial team fokus GEFÄHR/GUT is organizing the 2nd specialist conference on lithium batteries in maritime transport with accompanying practical seminars on precisely this topic. Representatives from shipping companies, insurance companies, maritime forwarding companies, port fire departments, authorities and port handling facilities provide a comprehensive picture of requirements, risks and developments.

Date practical seminar: 25. June 2025

Date trade conference: 26. June 2025

Location: Hamburg

EXHIBITION BOOTH:

- 6 qm exhibition place in the event hotel
- incl. one charge-free participant slot at the trade conference days
- Image of the logo on the event page and in the participant booklet
- Full page advertisement in the participant booklet

DIGITAL

DIGITAL INNOVATION DAYS LITHIUM BATTERIES AND FIRE PROTECTION

Introduce yourself and your product!

Providers of innovative ideas, tools and marketable products and services present themselves as well as their products in 30-minute online slots.

Dates:	Lithium batteries	9. April 2025
	Fire protection hazardous goods-hazardous substance storage	10. April 2025

ONLINE PRESENTATION:

- 30 minutes of speaking time to present your product or service
- Professional moderation throughout the entire digital event
- Online interaction with participants
- Sending your presentation to the participants afterwards

MARKETING PERFORMANCE:

- Cross-medial promotion print, online and social media in fokus GEFAHR/GUT
- Reach: We address 30,000 contacts
- Logo online as well as in all mailings
- Recording of the webinar; afterwards for digital retrieval
- Qualified leads: the sponsor receives the list of participants as a PDF
- Pre- and post-report of the Innovation Days on fokus-gefahrhut.de

PRICE: each speaker slot of 30 minutes: € 2,205.00

© Shutterstock/AdobeStock

BE THERE AS A SPONSOR!

Almost every month, the editorial team addresses current hazardous goods topics and invites a well-known speaker to examine a topic in detail in an online seminar. Each of these so-called webinars lasts 60 to 90 minutes.

DIGITAL

Participants register in advance and receive online access, which they can use to follow the speaker's presentation on their own screen. They also have the opportunity to ask questions via a chat function, which will be answered during the webinar.

Find out more about our program online at:

www.fokus-gefahr-gut.de/termine

You can also take the opportunity to pass on your expert knowledge in the online seminar. In this case, you act as a sponsor and speaker.
