TRUCKER
The magazine for truck drivers

www.trucker.de

WHAT DOES TRUCKER OFFER?

The trade and special-interest magazine TRUCKER has been one of the best known and most popular magazines in the transport and logistics field in Europe for over 40 years. TRUCKER has been setting the benchmark for more than four decades, including with its expert test and technical features reports. As an expert reporting resource in relation to policy and practice, it is regarded as an opinion-former in the sector.

The motto of the magazine is: "TRUCKER – Profession, Technology, Passion" and the focus of the editorial team is on proximity to the reader. In contrast to many other editorial teams, TRUCKER therefore works mainly with salaried editors, who all have extensive experience working in the sector, as well as the everyday transportation business – some even have a background in the commercial sector with experience working as drivers, for example. That creates authenticity.
