

Plumm is proud to offer you and your team the latest addition to our wellbeing services:

Family access

With family access we're extending our reach beyond the workplace, as we recognise the importance of family life and interpersonal connections for the overall wellbeing of each individual.

The specifications for our **family access** benefit are listed below:

Grants access to a maximum of 3 family members per employee

Direct and extended family members are eligible for the use of this service

Provides access to Plumm's self-help resources and chat therapy

Users must be over 18 years of age

How to sign up

Reach out to Customer Support any time to obtain the sign-up link for your family member.

It's as simple as that!

We look forward to welcoming your loved ones on board.

mental wellbeing
for empowered teams.
