

Draft implementation plan aligned to Amazon scope – single site solution

^ **Total FTE: 80** (incl. 19 support roles)
^ **KT:** Knowledge Transfer by Amazon and Genpact TTT batch
^ **Pre-KT & OB:** Pre-Knowledge Transfer / Induction @Genpact and Amazon onboarding
^ **Nesting:** Go Live & Volume ramp up @ Genpact
^ **Transition completion:** Full Production @ Genpact

- Key Considerations**
- Laptops to be provided by Genpact considering all technical requirements (AWS) and facility as per Amazon GO Build standards
 - Genpact TTT certified trainers to train the subsequent batches of new hires
 - End to end transition timeline – 24 weeks with focus on wellness interventions at every transition stage
 - Delivery locations – KL covering all languages in scope based on the hiring capacity / sourcing potential

- ★ TTT Go Live
- Stage Gate 1 (SG1)
- Stage Gate 2 (SG2)
- Stage Gate 3 (SG3)
