The best way to experience the heartbeat of Africa

Professional guides lead the way

With 20+ years of experience guiding guests through Africa, our knowledgeable Tauck Directors seamlessly manage all day-to-day travel details and accompany with our guests every step of the way. Highly trained local guides and trackers lead game drives, sharing expert insights about wildlife, local culture and daily life.

All-inclusive in one upfront price

When deciding who to travel with on a bucket list safari, it's important to note what's included. All Tauck safaris include virtually every travel expense in one upfront price, covering airport transfers on arrival and departure, on-tour flights, meals, hot air balloon rides, cultural experiences and more, with no upselling.

Award-winning accommodations

Tauck guests stay in the heart of Africa's best national parks and private reserves in luxury tented camps, old-world safari clubs and iconic safari lodges, with many among the "World's Best." Ideally located for optimum viewing of the "Big Five" and other game animals, they're renowned for their settings and attentive service too.

The best wildlife viewing in every season

We plan our safaris at the best times to view wildlife, including seasons when crowds are fewer, landscapes are greener, and babies are being born. See Africa's Big Five; meet meerkats, rhinos and gorillas; interact with elephants and baby baboons; and discover the animals of the bush on a choice of seasons and safaris.
