

# THE POWER OF PASSION

Today, The Red Carnation Hotel Collection proudly stands at 19 exceptional properties around the world, each unique and special, whilst sharing the founding values that define the family-owned and run business.

Red Carnation Hotels is lovingly named after the signature flower worn by Stanley, the husband of our President and founder, Beatrice Tollman. It is proudly worn by each and every member of our team as a symbol of our passion, commitment and care.

As a family-owned and run business, we genuinely care about our people and our

local communities. We work hard to protect the wildlife and environments within which we operate, and are passionate about sustainability.
