The LOUNGE&CO is waiting for your traveler!

Our brand-new LOUNGE&CO at Newark Int'l Airport has opened and is ready to welcome you. Conveniently located in Terminal B of Newark Int'l Airport after the security screening area, a private elevator delivers you to the lap of pre-flight luxury.

You will feel the tranquility of our refined lounge. Enjoy a well-appointed bar, dine before your flight and, of course, stay connected with complimentary Wi-Fi.

Convenience also takes the form of shower facilities and luggage storage for a worry-free travel experience. Relax before you relax onboard our flights to Paris, Milan, or Nice!
