Welcome

Eduardo Vela Ruiz Founder of Velas Resorts

More than 30 years ago a dream was born: to create extraordinary resort experiences and establish an unprecedented tradition of warm hospitality. Today, we have successfully built, developed and operate six resorts based on that very mission, and we have many loyal guests and valued partners to thank for it.

When we speak of Velas Resorts, there are four fundamental cornerstones that sustain our brand; privileged locations, world-class dining and Spas, suites distinguished for their comfort and design, and impeccable personalized service.

We are dedicated to taking the All-Inclusive concept to another level, to not only satisfy our clients' needs and tastes, but exceed their expectations. To achieve this, both management and general staff continuously reinforce the quality standards and values that define Velas Resorts; firmly based on integrity, dedication, respect, and of course, teamwork.

Our determined efforts have led our resorts to earn the most distinguished honors in hospitality and tourism, such as the 4 and 5 Diamonds from the AAA (American Automobile Association), the 4 and 5-Star awards by Forbes Travel Guide, and being members of prestigious consortia like Virtuoso, and the exclusive Legend and Lifestyle collection of Preferred Hotels & Resorts.

Thank you for helping make this dream a reality.
