

Proxy Sit-to-Stand Seating

Performance, ergonomics, and simplicity. Proxy features beauty and comfort while delivering value and style. The sleek knit or upholstered back ergonomically supports long-term or short-term sitting. Sit-to-stand models allow you to adjust from desk height surface to counter height simply and seamlessly.

Sit-to-stand models come standard with a 10° limited tilt for safety, lock, pneumatic lift, and tension adjustment.

Available in a mid back or low back version, with or without arms.

Foot ring is set 9" from the floor and is adjustable to maximize comfort.
