

Easy to Use & Store

1 MT of Urea = 460 Kg N
= 2 x 250 gm sachets!

Optimize Yields & Profit

Reduce Nitrogen
losses and Nitrogen
cost volatility.

Crops	Dosage rate
Cereals, Maize, Veg, Fruits and Orchards, Tomatoe, Potatoes	(50g/Ha)

 **Vixeran**®

Sustainable
farming
starts with you!

VIXERAN® is designed to fix atmospheric Nitrogen and supply a sustainable natural source to crops. Promotes growth while regenerating and revitalizing the soil.

Environmentally Sustainable Nitrogen

Regenerating and revitalizing the soil & reducing carbon footprint.

Natural source of 30-50 Kg/ha Nitrogen

Delivering N during crop growth through Triple mode of action.
