

The Boca Raton

SINCE 1926

FIVE DISTINCT HOTELS, ONE ICONIC RESORT

A New Golden Era

From Historic to Iconic

Our story began in 1926, with a 100-room inn nestled in the brand-new city of Boca Raton. As the property grew to become a South Florida icon, the resort spent several decades known simply as The Boca Raton. Now embracing that title as our official name, The Boca Raton welcomes you back to experience the extraordinary.

Set amidst 200 lake and oceanfront acres in Florida's south Palm Beach County, The Boca Raton provides a private year-round escape for overnight Resort Guests and Club Members.

Five distinct hotels set within our luxury resort include Beach Club, Bungalows, Cloister, Tower and Yacht Club. Amenities range from distinctive dining, to a private golden beach, 50,000-square-foot Spa Palmera, 18-hole golf course, Racquet Club, Pool Club, and more.
