Queen Mary 2, New York

The Transatlantic Crossing, by Cunard®

A voyage across the Atlantic is as iconic today as it was in 1840 and it remains one of life's most unique travel experiences.

It's a welcome opportunity to leave the everyday behind and immerse yourself in a world of unadulterated escapism. Most of all, it's an invitation to make an unforgettable arrival into New York or London by ocean liner.

Share in the timeless romance of it all, with the freedom to spend each day at sea in whatever way you please. From a morning yoga class before breakfast, to an evening performance at the Royal Court Theatre, there's always something new to experience.

Indulge in our famous Afternoon Tea, served at 3:30 p.m. daily (you can set your watch by it) or see constellations take shape in Queen Mary 2's onboard planetarium, Illuminations. Enjoy a flight of ales in the Golden Lion Pub™ or delight in a live pianist in the Commodore Club. The choice is yours.

Select voyages also offer the chance to combine a Transatlantic Crossing with a day in Hamburg, London, or Amsterdam, adding yet another wonderful dimension to this legendary ocean journey.
