Part A: Pupil premium strategy plan

Statement of intent

We are an inclusive school and are committed to securing excellent outcomes of *all* pupils, especially those who are educationally disadvantaged.

We define Educationally Disadvantaged as: *any child who faces a barrier(s) to learning that hinders their progress at school and therefore their ability to reach their potential*. Often this will include those who are in receipt of the Pupil Premium - but not always. We use approaches to teaching and assessment that allow us to review each pupil's barriers and plan to support those most in need at any one time

It is our aim that:

- every child **on track to secure at least age-related expectations** by the end of Year 6 (*unless there is an identified long term educational barrier*);
- every child to **achieve their potential**;
- accelerate progress and **close the attainment gap** between those who are educationally disadvantaged and those who are not;
- enable a **greater percentage of pupils to achieve greater depth** by the end of Year 6;
- **attendance rate above 95%** or if not, show strong evidence of school intervention to promote rapid improvement;
- children to feel and be **safe, secure and happy**, knowing how to seek support and actively seeking when required;
- children are **resilient, active, independent, motivated learners**.

These aims flow from our ethos of inclusion, care and aspiration for every child, they underpin the decisions we make and how we allocate resources to support those most in need.

Our Educationally Disadvantaged Strategy **outlines our plan of action to achieve our long term aims for our educationally disadvantaged pupils and how we will make effective use of Pupil Premium and Recovery Premium funding to support this**.

We are **ambitious for every child** in our school to acquire the skills, knowledge and cultural capital they need to succeed in life; leaving our school having achieved their very best and well prepared for the next stage in their education.

We are also passionate about ensuring that all pupils are part of a learning journey that develops them not only academically but also socially and emotionally.

Challenges

This details the key challenges to achievement that we have identified among our disadvantaged pupils.

Challenge number	Detail of challenge
1	poor Attendance
2	unstable home lives
3	limited parental support

4	parents own educational experience
5	low income households
6	Lack of confidence, resilience, independence
7	limited vocabulary
8	lack of reading experience at home
9	low attainment

Intended outcomes

This explains the outcomes we are aiming for **by the end of our current strategy plan**, and how we will measure whether they have been achieved.

Intended outcome	Success criteria
1. Every child on track to secure at least age-related expectations by the end of Year 6 (<i>unless there is an identified long term educational barrier</i>)	<ul style="list-style-type: none"> ✓ Pupils making at least expected progress where prior attainment is ARE/ARE+ ✓ Accelerated progress where prior attainment is below ARE
2. Accelerate progress and close the attainment gap between those who are educationally disadvantaged and those who are not.	
3. Greater percentage of disadvantaged pupils to achieve greater depth by the end of Year 6.	<ul style="list-style-type: none"> ✓ Disadvantaged pupils attaining ARE are identified and supported, through targeted provision, to accelerate progress towards attaining GD in Year 6. ✓ A greater % disadvantaged pupils attain, or are on track to attain, GD.
4. Every child leaves Year 6 as a skilled, motivated reader and sees themselves as a reader. They recognise the value and purpose of reading, not only for learning, but have also discovered the pleasure of being 'lost in a book'.	<ul style="list-style-type: none"> ✓ Every child leaves Year 6 attaining at least secure ARE in Reading. ✓ A greater proportion of disadvantaged children leave Year 6 as GD in Reading ✓ Pupil surveys indicate: <ul style="list-style-type: none"> - an increasing proportion of pupils enjoy reading - pupils are reading a wider range of authors / genres - an increasing proportion of parents (particularly disadvantaged pupils) are sharing books and reading to/with their children
5. Attendance rate above 95% or if not, evidence of rapid improvement.	<ul style="list-style-type: none"> ✓ Attendance rate of disadvantaged pupils is at least 95% or accelerated progress towards ✓ Fewer disadvantaged pupils are persistent absentees (below 90%)

	<ul style="list-style-type: none"> ✓ Strong support provided by school for pupils/parents whose attendance is below 90% (persistent absentee)
6. Every child to feel and be safe, secure and happy , knowing how to seek support and actively seeking when required.	<ul style="list-style-type: none"> ✓ Pupil/parent surveys and pupil interviews indicate pupils feel safe and secure in school and know how to seek support ✓ Evidence that pastoral support for a child has a positive impact on their happiness, welfare and academic progress (pupil / parent discussion, class teacher feedback) ✓ Achievement data
7. Every child to be a resilient, active, independent, motivated learner .	<ul style="list-style-type: none"> ✓ Achievement data ✓ Teacher observation and pupil/parent discussion evidence strong learner behaviours are evident regularly in the classroom and at home

Pupil premium strategy outcomes

This details the impact that our pupil premium activity had on pupils in the 2022 to 2023 academic year.

Impact of MATHS pupil premium activity in 2022-23

- **In class support (including in class and post-lesson support) and 1:1 / small group intervention** has enabled disadvantaged and targeted children to successfully access in class maths teaching with additional support and scaffolding.
- For many of these children, loss of confidence was as much a barrier as gaps in knowledge and the support of our skilled staff has supported these children through the year. This has ensured all have made progress in maths, some taking small steps but all making progress towards achieving ARE+.
- Some children have been targeted to secure ARE and accelerated towards GD.

		<i>Number of Pupils</i>	<i>% attaining ARE+ (Sept 2022)</i>	<i>% attaining ARE+ (July 2023)</i>	<i>% Attaining GD (Sept 2022)</i>	<i>% attaining GD (July 2023)</i>

The combination of in-class support, post-lesson support, and targeted intervention has enabled many pupils to gain confidence in maths and all have made progress from their starting points in September 2022. Many children made accelerated progress and are now working within age-related or have secured age-related expectations. However, there is much work still to be done and we continue to be dedicated in our mission to enable every educationally disadvantaged child to achieve ARE+ and increase % disadvantaged pupils attaining GD.

Impact of READING pupil premium activity in 2022-23

- **In class support (including in class and post-lesson support)** has enabled disadvantaged and targeted children to access in class English teaching with additional support and scaffolding. For many of these children, loss of confidence and lack of reading experience through lockdown was as much a barrier as gaps in knowledge. The support of our skilled staff has supported these children through the year, this has ensured all have made progress in reading, some taking smaller steps than others but all making progress towards achieving ARE+.
- **Reading intervention** has had positive impact for many target children and they have made accelerated progress towards attaining ARE.
- **Phonics intervention** has had positive impact for our target children with accelerated progress made. and 93% Year 1s attaining 32+ in Phonics Screener (100% Pupil Premium)

		<i>Number of Pupils</i>	<i>% attaining ARE+ (Sept 2022)</i>	<i>% attaining ARE+ (July 2023)</i>	<i>% Attaining GD (Sept 2022)</i>	<i>% attaining GD (July 2023)</i>

The combination of in-class support, post-lesson support, and targeted intervention has enabled many pupils to gain their confidence in and find real enjoyment from their reading and all have made progress from their starting points in September 2022. Many children have made accelerated progress and are now working within age-related or have secured age-related expectations. However, there is much work still to be done and we continue to be dedicated in our mission to enable every educationally disadvantaged child to achieve ARE+ and increase % disadvantaged pupils attaining GD.

Historical Data

Our progress figures over four years demonstrate the strong progress that has been made historically in raising standards and closing the gap for our disadvantaged pupils. This progress has been continued over the last three years despite the challenges of the COVID-19 pandemic although we recognise there is still work to be done and we are absolutely committed to closing the gap so that every child in our school has the best life chances.
